Phone: +91 9016694754 | ✉ [harsh.sojitra.49@gmail.com](mailto:harsh.sojitra.49@gmail.com) | [LinkedIn](#) | [Github](#)

## PROJECTS

---

### CodeStudy | *ReactJs, ExpressJs, NodeJs, MongoDB*

[Github](#) | [Live](#)

- **Cloudinary** is used to store images and pdf securely in the cloud and public URL of documents is used in the database.
- **JWT** token is used for **security** and **token** management and '**bcrypt**' library is to hash passwords for privacy and security purposes.
- **Email verification** is also enabled to stop proxy users and more secure and reliable authentication using the '**nodemailer**' library.

### Connectify | *ReactJs, ExpressJs, NodeJs, MongoDB*

[Github](#)

- Users can post pictures, chat with friends, add friends, remove friends, like pictures of their friends and also can add comments on a post of their friends.
- **Postman** is used to test backend API's.
- **Redux** is used for **state management** and updation of state when POST, PUT and PATCH methods were used.

### Note Taking App | *Flutter, Dart, Firebase*

[Github](#)

- **Firebase Auth** is used to login the user with a Gmail account. Also, a **SQLite plugin** is used to store notes in the local device of the user.

## EDUCATION

---

### Dharmsinh Desai University (DDU), Gujarat

August 2020 - May 2024

Bachelor of Technology in Computer Science and Engineering

CGPA: 8.17 / 10.0

## SKILLS

---

**Languages:** C, C++, Javascript, Python, Dart, C#, Java, SQL

**Technologies:** ReactJs, NodeJs, MySQL, Git, Github, Flutter

## ACHIEVEMENTS

---

- **Global rank 295** in Starters 84 (**Div-2** rated). | [Verify Rank](#)
- **Global rank 4**, in Starters 80 (Div-3 rated). | [Verify Rank](#)
- **3\*** coder at CodeChef and **1865 (top 6%)** rating at LeetCode.
- Solved **900+** problems on various platforms like CodeChef, Leetcode etc.

## CODING PROFILES

---

- Leetcode: [harsh\\_sojitra1](#) | 500+ DSA questions solved and 1800+ rating.
- Codechef: [harsh\\_sojitra1](#) | 3\* rating.
